Environmental Justice Certification

Environmental justice is defined in California statute, Government Code Section 65040.12, as “the fair treatment of people of all races, cultures, and incomes with respect to the development, adoption, implementation, and enforcement of environmental laws, regulations and policies”.

The California Integrated Waste Management Board has included the recognition of the principles of Environmental Justice as an integral part of all grants awarded. Please sign and date this form to certify compliance.

Applicant certifies that if awarded a grant it shall, in the performance of the Grant Agreement, conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the State.
